

Client Project Case Study:

Title of Project:	Glenmorangie – New Blending and Bottling Plant at Alba Business Park – Capital Allowances
Thomson Bethune’s Role:	Financial and Cost Management
Client Sector:	Industrial and Manufacturing
Client:	The Glenmorangie Company
Project Cost:	£18m
Location:	Alba Business Park, Livingston
Date	August 2009 – September 2010

Project Scope:	
Background to the project	This was part of a major Capital Investment Programme which was being undertaken by The Glenmorangie Company and involved the relocation to The Cube and Alba Business Park. Construction of the New Bottling Complex and Office. The building works included the construction of a new Office Building, Bottling Halls, Dry and Cased Goods Storage, Blending and Reduction areas. External works included a Tank Farm, Energy Centre, Hard and Soft Landscaping, perimeter fencing, builder work in connection with services and all roads, yards and site infrastructure.
The value Thomson Bethune added to this project	Management of the Client’s budget through design, procurement and delivery of the project. Finalising Final Account on the project which is within the original client’s budget.
