

Client Project Case Study:

Title of Project:	Refurbishment & Alteration of 69 Dublin Street, Edinburgh
Thomson Bethune's Role:	Project Manager & Quantity Surveyor
Client Sector:	Residential
Client:	Braemore Estates
Project Cost:	Not Available
Location:	Edinburgh, Scotland
Date:	May 2008 – September 2008

Project Scope:	
Background to the project:	The property was acquired by Braemore Estates, developed and sold on. The property was originally residential, converted to office accommodation and as part of this contract converted back to residential. A change of use was required for the development.
The value Thomson Bethune added to this project:	Thomson Bethune carried out the Project Management and the Quantity Surveying including pre-contract works such as preparation of a description of works, tender report, contract award and Post contract services including valuations and final account and were responsible for administering the contract.
