

Client Project Case Study:

Title of Project:	South Wales Local Authorities – Study of Non Front Line Educational Budgets
Thomson Bethune’s Role:	Value Management Workshop Facilitation
Client Sector:	ServQ Consulting - The South Wales local authorities
Client:	Public Sector
Project Cost:	Not applicable
Location:	South Wales
Date:	June 2010 – September 2010

Project Scope:	
Background to the project:	<p>The South Wales local authorities are required to save 10% per annum from their non front line service Educational budget over the next three years. The study focussed on how this could be achieved.</p> <p>We worked with the client through the forum of a number of workshops to determine the most appropriate way of achieving the required savings</p>
The value Thomson Bethune added to this project:	<p>Thomson Bethune’s expertise in Value and Asset Management workshop facilitation gained in over 200 case studies meant that the exercise was extremely effective with new techniques and tools being adopted and implemented within the client organisation.</p>
