

Client Project Case Study:

Title of Project:	Value management study of the new Sports Science Building
Thomson Bethune's Role:	Value Manager
Client Sector:	Higher Education
Client:	The University of Teesside
Project Cost:	Circa £12M
Location:	Middlesbrough, Teesside, England
Date:	June to September 2008

Project Scope:	
Background to the project:	The University appointed us to examine the value for money of their proposed New Sports Science Building project to be built on their existing Middlesbrough campus.
The value Thomson Bethune added to this project:	The establishment of a value for money solution to the building was the key output of this value management study.
