

# Client Project Case Study:

<b>Title of Project:</b>	Refurbishment of King's Theatre, Edinburgh
<b>Thomson Bethune's Role:</b>	Cost Management
<b>Client Sector:</b>	Leisure
<b>Client:</b>	The City of Edinburgh Council
<b>Project Cost:</b>	Consultancy services to support £2M in construction costs
<b>Location:</b>	Central Edinburgh
<b>Date:</b>	2011

<b>Project Scope:</b>	
<b>Background to the project:</b>	The project is the first phase of a complete refurbishment of the existing Edwardian Theatre Listed building. The initial phase of work is aimed at maintaining and obtaining grant aid for the building fabric and significantly improving the customer experience by improving the internal environment and comfort. This is being delivered through a replacement of the internal auditorium seating, replacement of boiler plant and improving the heating and ventilation systems. In addition, disabled access is being improved and redecoration of the entrance areas and other improvements are being made.
<b>The value Thomson Bethune added to this project:</b>	Thomson Bethune's role is in the provision of cost management services including capital and whole life cost aspects.
