

Client Project Case Study:

Title of Project:	New North West Ayrshire Resource Centre situated in Largs
Thomson Bethune's Role:	Cost Management
Client Sector:	Public and Health
Client:	Joint project between NHS Ayrshire & Arran and North Ayrshire Council – (led by NHS A&A)
Project Cost:	£4.5M
Location:	Largs, Scotland
Date:	Jan 2006 – Sept 2009

Project Scope:	
Background to the project:	The project comprised a new building and refurbishment of an existing 'B' listed building forming a new resource centre including a health centre and certain other local government facilities.
The value Thomson Bethune added to this project:	<p>Focussed service on the client's needs for the project. The project required to be phased to enable the existing facility to operate while the new building was built. Our input into the procurement process was important prior to deciding the tender route to be adopted.</p> <p>The project was delivered within the approved budget and to the required specification.</p>
