| Date | Oct 2009 to June 2012 |

| | |
|--|--|
| Project Scope: | |
| Background to the project | The project involves the erection of a new healthy living centre in Wester Hailes, Edinburgh. The client body comprises the City of Edinburgh Council and NHS Lothian. The project is to be given to the SE Scotland HUB provider and procured by this route from stage E. |
| The value Thomson Bethune added to this project | <p>Thomson Bethune are providing a full quantity surveying service up to Stage E and thereafter will be employed to review the value for money being delivered by the HUB procurement route and to verify other works carried out by the HUB contractor.</p> <p>The ability of Thomson Bethune to give value for money advice was a key benefit to the client which resulted in the extension of our commission into this aspect of work following receipt of the project by the HUB team.</p> |
