

# Client Project Case Study:

<b>Title of Project:</b>	West Lothian Schools PPP
<b>Thomson Bethune's Role:</b>	Cost Management and Project Management
<b>Client Sector:</b>	Education
<b>Client:</b>	Alpha Schools
<b>Project Cost:</b>	£25M
<b>Location:</b>	West Lothian, Scotland

<b>Project Scope:</b>	
<b>Background to the project:</b>	The project comprised the refurbishment and extension of 3 High Schools – Broxburn, Whitburn and Bathgate Academies, 2 Primary Schools – Westport and Linlithgow Primary and the construction of 1 new primary school at Linlithgow Bridge.
<b>The value Thomson Bethune added to this project:</b>	We were initially appointed by Morrison Construction to assist in the compilation of the overall bid documentation and sub-contract tendering packages and cost consultancy of each school. We were also subsequently appointed by Alpha Schools to assist in the Project Management of the move management, phase decanting and final handover snagging procedures. We also provided the Life Cycle Cost and Planned Maintenance Models during bid and construction stages and have a continuing role in updating these annually against actual spend.
